

About Us

BooksByWeight® is a Venture promoted by Butterfly Books®.

Butterfly Books® and BooksByWeight® are registered trademarks owned by the promoters.

BooksByWeight.com, a Brand owned and run by Butterfly Books® is a new online venture selling New Books and good condition Pre-Owned books by weight for nearly a fraction of the Listed price.

BooksByWeight® was a new concept started by us, where for the first time anywhere in the world books were sold by weight. We started this as an offline model around 8 years back and now bring the same concept to our online store (again a first), where every book listed (except for Collectibles) is sold by weight.

We bring to you the best books at the most competitive prices. Rarely will you find books of the quality and selection we offer at cheaper prices elsewhere. The rates charged by us on BooksByWeight.com are slightly higher than our Offline rates; the Quality and Selection of Books is much better than the offline display, we also need to cover Shipping, Packing and handling charges. Even though the most of the books we sell are Pre-Owned – Good, the condition of many of these books is like new.

Butterfly Books was incorporated in the year 2001, as a venture promoting international book and learning aid titles for children and adults. It is an endeavour that has brought into India a vast array of educational & learning aids for children. The books are imported from the U.K., U.S., Australia, Netherlands and is a vast selection selling at competitive prices. We started out with an initial import of 4000 books and today we have several thousand titles.

We have at present half a million books in stock and are constantly adding to this, which are being uploaded gradually, with a goal of putting up a million titles online by the end of next year. Nothing is procured from others and every book listed on the site is available in stock at our various warehouses, which enables us to ship out your order as soon as possible.

We are gradually adding a new selection of 6000 plus Author signed books, besides Advance Reading Copies, Uncorrected Proof Copies,

Limited Editions, Rare, Out of Print, hard to find books, and Older First Editions. These books are a great addition for Collectors, people who wish to start collecting or simply someone who wishes to own a piece of History.

We hope you enjoy browsing and purchasing Books on our site and wish you a pleasant experience.
